

COVID-19

ROMA UPDATES

To Our Valued Guests

At Tony Roma's, the health and well-being of our valued guests, employees and franchisees is always our priority. We recognize the importance to help mitigate the risks and to do our part to help prevent the spread of COVID-19. As we navigate the rapidly evolving coronavirus situation together, we want to ensure everyone, we are monitoring the situation and are following the mandated regulations in our Company-operated restaurants and are advising our franchisees to do the same.

Out of an abundance of caution and in an effort to help stop the spread of COVID-19, we are working closely with each Tony Roma's location regarding reductions in restaurant hours and offerings that may include online ordering, delivery, carry out ordering and/or curbside pick-up at specific locations.

We encourage guests to visit their local Tony Roma's online for hours of operation and other details. We appreciate your loyalty, understanding and patience as we navigate through this unprecedented time. We are committed to the health and well-being of our communities.

**Sincerely,
John Brisco
President and Chief Executive Officer**
